LA Art Show Proudly Supports the American Heart Association!

The LA Art Show was proud to once again partner with the American Heart Association (AHA) as our 2025 charity beneficiary. Together, we supported the AHA's mission to prevent death and disability caused by cardiovascular disease and stroke – two of the most significant health challenges in our society.

With a portion of every ticket purchased, the LA Art Show contributed to funding the mission of the American Heart Association – which includes CPR education, training and

development of science-based CPR guidelines and techniques to help strengthen the chain of survival. Dedicated to working with passion and purpose in a people-centered way, the American Heart Association has had a tremendous impact on advancing knowledge about heart and brain health with the goal to providing everyone the chance for full, healthy life.

LA Art Show is a proud supporter of the American Heart Association's Life is Why™ campaign
