### Thank You to Our Partners for LA Art Show's 30th Anniversary!

The LA Art Show thanks our valued partners for their support of our 30th anniversary edition. We appreciate the continuing partnership with the American Heart Association and the contributions from our cultural partners, media sponsors and media partners to the success of the 2025 LA Art Show.

### Show Partner

We partnered with the American Heart Association as a charity beneficiary of the LA Art Show in 2025. Our collaboration contributed 15 percent of proceeds from every ticket sold to their 'Life is Why™' campaign, supporting vital heart health initiatives.

Thank you to US Hybrid for presenting Colombian artist Julian Toro Duque's exhibition, and to Athletes for Life for their work empowering youth through arts and sports, showcased through their exhibition of works by established artists and student competition winners.

## Cultural Partners

The LA Art Show's DIVERSEartLA retrospective program, curated by Marisa Caichiolo, presented a significant eight-year survey through collaborations with key cultural institutions. These partnerships facilitated the presentation of large-scale installations and a comprehensive timeline documenting the platform's evolution. We thank these institutions for their contributions to DIVERSEartLA's commitment to diversity and inclusion in the arts.

## LA Art Show Proudly Supports the American Heart Association!

The LA Art Show is proud to once again partner with the American Heart Association (AHA) as our 2025 charity beneficiary. Together, we support the AHA's mission to prevent death and disability caused by cardiovascular disease and stroke – two of the most significant health challenges in our society.

With a portion of every ticket purchase, the LA Art Show contributes to funding the mission of the American Heart Association – which includes CPR education, training and development of science-based CPR guidelines and techniques to help strengthen the chain of survival. Dedicated to working with passion and purpose in a people-centered way, the American Heart Association has had a tremendous impact on advancing knowledge about heart and brain health with the goal to providing everyone the chance for full, healthy life.

LA Art Show is a proud supporter of the American Heart Association's Life is Why™ campaign
