The LA Art Show is pleased to continue its partnership with the American Heart Association (AHA) as our 2026 charity beneficiary. LA Art Show is a proud supporter of the American Heart Association's Life is Why™ campaign. We support the AHA's mission to prevent death and disability caused by cardiovascular disease and stroke, two of the most significant health challenges in our society.

With a portion of every ticket purchase, the LA Art Show contributes to funding the American Heart Association's mission, which includes CPR education, training and development of science-based CPR guidelines and techniques to help strengthen the chain of survival.
