LA Art Show News

LA Art Show Thanks 31st Anniversary Sponsors & Partners

The LA Art Show acknowledges our sponsors and partners who support the 31st anniversary edition. Their contributions strengthen the show's ability to serve as a platform for international art in Los Angeles, connecting over 100 galleries and institutions with the broader community.

This year, we welcome **JM Insurance Agency Partners** as a new sponsor, joining **Athletes for Life™** as returning sponsor. The **American Heart Association** continues as our partner and 2026 charity beneficiary. Each organization brings expertise that supports the LA Art Show's mission while serving the wider arts community.

JM Insurance Agency Partners specializes in coverage for fine art dealers, museums, antique dealers, and collectors. Their understanding of the art market's unique insurance requirements – from exhibition transit to gallery operations – provides essential protection for the industry. Their expertise in fine art and personal articles insurance makes them a natural fit for supporting the LA Art Show and its exhibitors.

Athletes for Life™ returns as a sponsor for another year, bringing their youth development programs to the LA Art Show. Since 1989, the organization has worked to build academic

excellence and leadership skills through mentorship and life skills training. Their presence at the show connects visual arts with broader educational initiatives, demonstrating how cultural experiences contribute to personal development and community leadership.

The American Heart Association continues as our partner and 2026 charity beneficiary. Fifteen percent of ticket proceeds supports the Life is Why™ campaign, which funds cardiovascular disease and stroke prevention through research, education, and CPR training. This partnership allows attendees to contribute to public health initiatives while engaging with contemporary art.

We appreciate all our 2026 sponsors and partners who help make the LA Art Show possible. The 31st edition takes place January 7-11, 2026 at the Los Angeles Convention Center, West Hall.

American Heart Association Partnership Continues

The LA Art Show is pleased to continue its partnership with the American Heart Association (AHA) as our 2026 charity beneficiary. LA Art Show is a proud supporter of the American Heart Association's Life is Why™ campaign. We support the AHA's mission to prevent death and disability caused by cardiovascular disease and stroke, two of the most significant health challenges in our society.

With a portion of every ticket purchase, the LA Art Show contributes to funding the American Heart Association's mission, which includes CPR education, training and development of science-based CPR guidelines and techniques to help strengthen the chain of survival. Dedicated to working with passion and purpose in a people-centered way, the American Heart Association has had a tremendous impact on advancing knowledge about heart and brain health with the goal of providing everyone the chance for a full, healthy life.
