## American Heart Association Partnership Continues

LA Art Show 2026 partnered with the American Heart Association (AHA) as our charity beneficiary. A portion of every ticket purchase supported the American Heart Association's Life is Why™ campaign and their mission to prevent death and disability caused by cardiovascular disease and stroke.

Ticket proceeds contributed to funding the American Heart Association's programs, including CPR education, training and development of science-based CPR guidelines and techniques to help strengthen the chain of survival. The American Heart Association works to advance knowledge about heart and brain health with the goal of providing everyone the chance for a full, healthy life.
