### 2 Days Until LA Art Show 2024... Lucy Hale, American Heart Association, Featured Exhibitions and Lots More!

The LA Art Show is set to open in two days, featuring an impressive lineup of over 100 exhibiting galleries and institutions, as well as special featured exhibitions from across the globe. Plan ahead and get your tickets for the LA Art Show, taking place at the LA Convention Center, West Hall from February 14-18.

The show kicks off with an Opening Night Premiere on Valentine's Day, Wednesday, February 14, and featuring award-winning actress **Lucy Hale** (pictured) as the Celebrity Host. The premiere supports the **American Heart Association**, with 15 percent of the ticket sales being contributed to the American Heart Association's Life Is Why™ Campaign.

Additionally, we're proud to present the 2024 edition of **DIVERSEartLA**, curated by Marisa Caichiolo. DIVERSEartLA brings together important local and international art institutions in a timely conversation expressed through the universal language of art.

This year's program explores the intersection of memory, humanity, and AI, showcasing a selection of cutting-edge art, technology, and multimedia exhibitions.

Other highlights for this year's LA Art Show:

- **Young Masters**, a not-for-profit initiative launched in 2009 by **Cynthia Corbett Gallery** to support and showcase emerging artists worldwide through a triennial Art

- Prize and a program of exhibitions, focusing on works that respond to the art of the past.
- The **DIVERSEartLA Museum Acquisition Award**.
  - Live musical performances by Korean artist **Choi Sori**.
  - Live painting session by artist **Robert Vargas**. Vargas is set to create a mural on-site, drawing inspiration from one of Martin Luther King Jr.'s last books, "The World House."
  - A performance by two Sirens, utilizing recycled materials for their depiction of survival in rising sea levels, offering a creative reflection on environmental challenges. Hibiscus TV is a collaboration between **Amy Kaps** and **Kaye Freeman**. In conjunction with *Repairing the Future*, an installation by **Osceola Refetoff**. Curated by Andi Campognone. Supported by the Museum of Art and History, Lancaster, CA. Specials thanks to Marisa Caichiolo for this project.
  - We are also excited for the return of the 2024 **LA Art Show Gallerist Talks**, proudly presented by **Citi**, the LA Art Show's official bank partner. These live discussions will feature exhibiting gallerists and their artists, exploring the significant impact of art on society and fostering a deeper understanding of the creative process and its societal implications.

## LA Art Show Proudly Supports the American Heart Association in its 100th Year!

The LA Art Show is pleased to be partnering with the American Heart Association (AHA), our 2024 charity beneficiary. We're proud to support the American Heart Association in its commitment to help prevent death and disability from cardiovascular disease and stroke – the major health problems in our society.

We're especially happy to be supporting the American Heart Association in its 100th year.

With a portion of every ticket purchase, the LA Art Show contributes to funding the mission of the American Heart Association – which includes CPR education, training and development of science-based CPR guidelines and techniques to help strengthen the chain of survival. Dedicated to working with passion and purpose in a people-centered way, the American Heart Association has had a tremendous impact on advancing knowledge about heart and brain health with the goal of providing everyone the chance for full, healthy life.
