The LA Art Show is honored that St. Jude Children's Research Hospital® will return as our exclusive Charity Partner in 2023. St. Jude Children's Research Hospital® is leading the way the world understands, treats and defeats childhood cancer and other life-threatening diseases. The purpose of St. Jude is clear: Finding cures. Saving Children. Art therapy is often part of a patient's treatment plan while they are battling cancer and other life-threatening diseases. We are grateful that the art community embraces and understands that art itself, can capture the hope and spirit of St. Jude patients and our lifesaving mission: Finding cures. Saving Children®.
