Owners of the LA Art Show Acquire Art Palm Beach

JANUARY 25-29, 2023

We're thrilled to announce that Scott Diamant and Rob Samuels of the Palm Beach Show Group, owners of The LA Art Show, have acquired Art Palm Beach. The show will be presented under the innovative leadership of LA Art Show producer / director Kassandra Voyagis, marrying the two fairs in a dynamic state-of-the-art bi-coastal enterprise.

Building on the LA Art Show's reputation, expertise, success and growth, Art Palm Beach will be held January 25 to 29, 2023 at the Palm Beach Convention Center, offering galleries the opportunity to participate in two affiliated blue-chip shows, two weeks apart. Art Palm Beach taps into the booming market of Palm Beach, one of the world's most culturally sophisticated and affluent cities, during the peak winter season.

Featuring more than 100 prestigious contemporary, emerging and modern art galleries, Art Palm Beach will provide a new entrée for collectors to explore and acquire the best of a broad selection of global contemporary and modern art in the vibrant cultural hub of South Florida.

"I am honored to embark on this exciting new venture, bringing the art community together in Palm Beach, Florida with the insight gained from our remarkable achievements in Los Angeles," said Voyagis. "With a focus on both coasts and an international profile, it is a thrilling prospect to facilitate this great event."

Palm Beach Convention Center

The LA Art Show is part of the Palm Beach Show Group (PBSG), a full-service show production company. Geared to benefit from the current real estate boom, proximity to Miami and wealth of the Tri-County Area, Art Palm Beach will also gain from PBSG's connection to the city's cultural scene and the Group's experience operating in the convention center for 20 years. PBSG President and CEO Scott Diamant expressed great enthusiasm about the new acquisition.

“Modern and contemporary art galleries will now have the opportunity to participate in two PBSG events, coast-to-coast, back-to-back. No greater concentration of major art clients exists in the United States than in Palm Beach and Los Angeles during the winter season,” said Diamant.”

Exhibitor applications for Art Palm Beach will be vetted by a dealer advisory committee, ensuring a roster of exhibitors with a rich and varied selection of artworks from both primary and secondary markets. Unlike the long-standing February Palm Beach Show, which features art, antiques, jewelry and design, Art Palm Beach 2023 will focus on presenting international modern and contemporary galleries featuring work by notable emerging artists as well as top names from the contemporary, modern, classical modern, post-war and pop eras. Re-envisioned for 2023, the layout and design of Art Palm beach will resemble the engaging contemporary look of the LA Art Show.

One of the largest international contemporary art fairs in the United States, the LA Art Show returns to the LA Convention Center February 15 to 19, 2023. Don't miss it!
