### **LA Art Show Looks Forward to Celebrating 30 Years in 2025 and Highlighting 2024 Galleries**

Following the successful 2024 edition of the LA Art Show, producer and director Kassandra Voyagis and her team are already planning for the event's 30th anniversary in 2025. The show will return to the Los Angeles Convention Center from February 19-23, 2025.

This month, we highlight three galleries that participated in the February 2024 edition, and who will be returning for 2025: K+Y Contemporary Art (Paris), EK Gallery (Los Angeles), and Fabrik Projects (Los Angeles).

As the LA Art Show prepares for its 30th anniversary in 2025, organizers look forward to continued collaboration with these galleries and to welcoming new participants from around the world. The show aims to provide a platform for artists, galleries, and collectors to connect and celebrate the best in contemporary and modern art in the vibrant Los Angeles art scene.
