Arcadia Contemporary Returns to the LA Art Show for the 17th Year!

We’re thrilled that New York based gallery Arcadia Contemporary will return to the LA Art Show in 2024. A longtime exhibitor and friend, we fondly remember the gallery from our Barker Hangar days back in the early 2000s. This will be the gallery’s 17th year at the LA Art Show!

Among artists Arcadia Contemporary will present at our 2024 edition is photo realist painter Kesja Tabaczuk. Born in 1989 in Opole, Poland, the artist now lives in Norway. Most notable about her career is the fact that she is self-taught. Tabaczuk’s showing at the LA Art Show will lead up to the artist’s first one-person exhibition in the U.S. to be held at Arcadia Contemporary’s New York gallery in July, 2024.

Welcoming the American Heart Association as Our 2024 Charity Beneficiary

The LA Art Show is pleased to announce the American Heart Association (AHA) as our 2024 Charity Beneficiary. For 2024, the LA Art Show is proud to support the life-saving efforts of the American Heart Association's Life is Why™ campaign, and we are excited to begin this new relationship. From June 30, 2023 to February 18, 2024, the LA Art Show will donate 15 percent of the proceeds from every ticket to the American Heart Association's Life is Why™ campaign, with a maximum donation commitment of \$45,000.

Donations through the Life is Why™ campaign — no matter the amount — allow the Association to implement initiatives such as:

- Fund research that can improve the health outcomes of heart and stroke patients
- Train more than 2.5 million high school students in CPR each year
- Support the work of local entrepreneurs and organizations working to improve health outcomes in under-resourced communities

The American Heart Association is dedicated to helping people live longer, healthier lives. For 100 years, the AHA has saved and improved lives, pioneered scientific discovery and advocated for healthy public policies in communities across the country.
